Resume Example

Whether you're a seasoned carpenter or a young or mature beginner looking for an apprenticeship, It's important to have a CV that shows off your talents. Our carpenter CV example will help you showcase your experience and increase the chances of being invited to an interview.

It should give an overview of their work experience, from the beginning with your apprenticeship and upwards. It should outline your general capabilities like time management, working to deadlines, attention to detail, working individually and as a team. Your education is also an important part of your CV and makes it clearer for employers.

If you're looking for an apprenticeship and writing your CV, review our carpenter example CV and use your transferable skills e.g. time management.

If you're also looking to write a compelling carpentry apprenticeship cover letter then click here.
